Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 09 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain arriving in southern areas, but remaining dry elsewhere.

This Evening and Tonight:
A dry start to the evening for most, but wet conditions in the south of the country as some rain moves in through the evening. Rain generally restricted to southern coasts overnight. Staying dry but cloudy elsewhere. Minimum temperature 12 deg C (54 deg F).

Saturday:
Rain in the south clearing through the morning, with showers developing across the country through the morning, starting in northern areas. Some showers occasionally heavy. Turning dry into the night. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Cloudy with a mix of rain and showers on Sunday. Scattered showers on Monday, some heavy carrying a risk of thunder and hail. Drier on Tuesday with plenty of sunshine.
